8. (Internal Use Only - LLM) Mr. Tom Moyer, in the General Counsel's office of the Civil Service Commission, called in reference to Mr. Fisher's letter of 18 April to Seymour Berlin with an analysis of the implications of H. R. 3807 (Federal Executive Service) on Agency authorities, and said they would work out a solution to our problems with both the Senate and House Post Office and Civil Service Committees. He agreed to send the language that would appear in the legislation as soon as it is worked out, explaining that a number of other agencies were likewise affected.
